Utility Values In County Gain Over Half Million

An increase for 1937-38 of $687,906 in valuation over the previous fiscal year has been estimated for San Mateo county's public utility property, according to state board of equalization figures released Monday through the office of County Assessor Daniel P. Plynn.

A total of $12,276,120 for this year, as compared with $11,588,160 for 1936-37, comprises the preliminary figures, which still are subject to slight change until August 16, Flynn said.

Redwood City is second among the county's incorporated areas, with $1,316,020. San Mateo is first, $2,568,640, and Burlingame third, $1,306,890.

Visitacion unincorporated district, where are located Southern Pacific Railroad shops and a plant of the Pacific Gas and Electric Company, boasts the highest outside area total, $1,770,510.

The inclusion of the public utility figures with the real estate sums approved by the board of supervisors two weeks ago bring the value of county property to $111,082,450. Real estate was totaled at $98,806,330.

Increases throughout the county were consistent and general in the utility valuations, as they were in real estate, which had been due chiefly to building activity, Flynn said.

The figures showed that more than half the utility value is in the San Mateo Junior College district, which does not include Redwod City, Belmont, San Carlos, Menlo Park and environs. The valuation was rated at $7,394,380.

The totals also showed the San Mateo High School District on top, with $4,392,720. Sequoia High School District was second, $3,588,670; Jefferson, third, $2,713,150; Half Moon Bay, fourth, $288,510, and Pescadero, fifth, $184,470.

NEWS NOW TYPED RIGHT INTO TRIBUNE OFFICE

The Tribune has begun supplying its readers with Associated Press news from AP bureaus throughout the United States teletyped right into its office by means of leased private telephone wires and automatic typewriters or "printers," one of which is shown in the picture on the lower right. The top view in this photo is of the news room of the general headquarters of the Associated Press in New York, where nimble fingers and trained men and women shape metropolitan news and reports from 252 foreign cities for transmission daily to this newspaper and more than 1360 member papers.. The lower left photo shows a scene in the capitol building at Washington and part of a large regional staff which writes stories of special interest to this state and other sections of the country. The automatic electric typewriter speeds the news—at 60 words a minute—over more than 275,000 miles of leased wire to similar receiving machines.

William Feeley, 75, Dies in Menlo Park

MENLO PARK, July 20—William Emory Feeley, 75, retired Menlo Park resident, died this morning at his home at 501 Oak Grove avenue.

Mr. Feeley, a native of Indiana, is survived by his wife, Katherine Ellen Feeley; three daughters, Mrs. Adeline Douglas of San Francisco and Mrs. Lillian Black and Mrs. Mary Bush of Los Angeles, and five sons, William, Edward, Arthur, Francis and Jack, all of Menlo Park.

AUTOMATIC TYPEWRITERS NOW BRING 'AP' NEWS TO TRIBUNE

Progress Step Sees Telephonic Service Replaced By Electric 'Printers'

The Tribune now brings to Redwood City a new civic asset in the leased wire news facilities of the Associated Press.

This expansion means that a news report of events the world over daily from more than 280,000 miles of leased wires connected by automatic electric typewriters or "printers."

The Associated Press is a worldwide, non-profit, cooperative association of more than 1,360 newspapers, established to obtain the news, impartially, objectively, and without partisanship or bias.

Minutes after a news story or national or international import "breaks" in a distant city, The Tribune will receive an account of what has happened, through the vast and intricate wire system that stretches from Bangor, Maine, to San Diego, and from Miami, Fla., to Seattle.

Ninety bureaus in the United States and 252 in every principal city abroad direct the work of 80,000 individuals throughout the world who have a part in reporting and distributing the news.

Over cable and wireless and leased wire, the news comes to The Tribune over the "printer," clicking off 60 words a minute tirelessly 24 hours a day if need be.

The Tribune has long been a member of The Associated Press, but has depended on telephonic reports from the San Francisco division office. Now with the "printers" right in the office, a continuous flow of news will come into Redwood City, daily between 11 a.m. and 2 p.m., or at other hours if needed.

The Tribune's readers are invited to see these almost human automatic printing machines which reproduce news momentarily as it is typed by operators in San Francisco, Los Angeles, Chicago, New York or in any other office with which this office may be connected for a story. Best time, of oourse, to view the machines is between 11 a.m. and 2 p.m., when they always will be in operation, their operation during other hours depending solely on "news breaks."

County Gas Tax Share $54,735

San Mateo county shortly will receive $54,735 in gas tax returns, according to announcement by State Controller Harry B. Riley of a gas tax distribution of $11,000,000.

Santa Clara county will receive $98,174.

A third of the $11,000,000, an Associated Press dispatch explains, goes to counties and the remainder to the state highway fund. Cities will receive 25 per cent of the $7,390,000 sent to the highway fund.

Riley reports gas tax receipts, the easiest of all taxes to collect, rose to $48,800,000 in the year ending June 30, an increase of 4.45 per cent over the collection of $46,700,000 in the previous 12 months.

SEA SCOUTS RESCUE DOG MAROONED ON BAY ISLAND NEAR DUMBARTON

Two Palo Alto Sea Scouts, George Kellner and Robert Zink, were the heroes Monday in a thrilling rescue of a dog that had been marooned alone and foodless on an island in a slough near Dumbarton Bridge for several days.

Darby, 14-year-old collie shepherd, had been missing for several days from the home of Dr. Earl Macy of Palo Alto. Since last Wednesday barking heard from the little island was mistaken for the vocal exercise of sea lions. Monday Constable F. B. Grill of Menlo Park, using spy glasses from the water works between the Dumbarton railroad and vehicular bridge, discovered that the supposed "sea lions" were a dog.

Mrs. Frank Thomas, superintendent of the Palo Alto Humane Society, immediately enlisted the services of the sea scouts. Donning bathing suits, the two boys swam to the island and rescued the grateful collie,, which, because of his crippled condition and weakness from lack of food, was unable to swim.

Darby apparently understood from the start that the expedition was one of helpfullness to him. When he was delivered to the home of his master and placed upon the porch, Darby, despite his weakened condition, threw back his head and gave four feeble barks, which the rescuers and family group interpreted to mean "Thanks, ever so much."

Through what misadventure or through what foul villainy the dog got into his plight the dog's master could not say.

Jury Is Unable To Solve Mystery Of Ronconi Death

DALY CITY, July 21.—"Death from a fractured skull caused in an unknown manner."

With this verdict, a coroner's jury today had closed the case of Giovanni Ronconi, 61, Colma rancher, who was found dead under mysterious circumstances on Salada Beach July 9.

At first thought the victim of a well-planned murder, Ronconi's death was later dismissed as an accident by Sheriff James J. McGrath, who closed his investigation with the statement that Ronconi probably met his death in a fall while hunting mussels.

Coroner William Crosby revealed that a new possibility was injected into the death when it was learned that E. A. Ferretti, Daly City, passed Ronconi on the coastside road the morning he died. Ferretti testified that the road was so narrow and close to the cliff that a projecting load from a truck could easily have struck Ronconi and hurtled him down the cliff into the ocean.

Dr. William C. Lynch of Daly City, surgeon who performed the autopsy on Ronconi's body, testified that "his skull was fractured by a blow traveling parallel to the earth's surface with great force.' Ferretti said the soil was soft at the point where he passed Ronconi, and that if he had been struck by a truck he would have incurred but few bruises and cuts in the fall.

The jury failed to make any recommendations because of the contradictory nature of the evidence.

Accidental drowning was the cause of the death of Patsy Hughes, 23, San Francisco, who was drowned while swimming near Rockaway Beach July 11, the coroner's jury declared.

Supervisors Call Zoning Hearing

In accordance with recommendations of the planning commission, the board of supervisors Wednesday set for August 18 at 2 p.m. a public hearing on the proposal to extend zoning to all the territory west of the Skyline boulevard between the south county line and Hillsborough.

Hearings have already been held by the planning commission on the proposal, which will be in the form of an amendment to the master zoning plan.

The board also approved unanimously recommendations of the planners to abandon the pedestrian lane at Loma Mar and to adjust setback lines on the property of Percy Gray, East Palo Alto.

Speeders Hit By Big Fines

Robert K. Bledsoe of Santa Rosa, Jack Shoman of Redwood City and Eugene Cavitt of San Jose headed a long list of speeders fined by Judge Edward I. McAuliffe in end-of-the-week traffic courts, Bledsoe and Shoman paying $20 and Cavitt $15.

John Quartero and Lorene Way of San Francisco paid $10 penalties for speeding. Other fines, all the result of highway patrol speeding citations were: $5, Rodman Bingham and Joseph Gere, both of Palo Alto; Monroe D. Green and G. B. Fontana, both of San Francisco; and May Simpson of Berkeley; $2.50, Louis Swift and E. G. Michelson, both of Palo Alto; Henry Drews, Mary A. Parker and Leon Zander, all of San Francisco; and Charles G. Warner of San Jose. Robert Bush paid $3.50 for speeding.

There were 10 other out of town residents fined for minor traffic offenses noticed by the patrol.

Arterial breaches in Redwood City, cited by police, brought $2.50 fines to Melvin Davis and Marvin Davis, while going through a stop signal cost Jack Arenth $2.50. Nancy Van Der Guindt paid $2.50 for speeding.

Overparkers here, assessed $1 apiece, were: W. A. Willitt, William Scott, O. W. Campbell, D. D. Benedictus, John Caruson, H. L. Rogers.

Trucking Rates To Be Protested By Port Board

Decision to file a formal protest with the State Railroad Commission over the trucking rates in force in this area was made Tuesday night at the regular bi-monthly meeting of the Redwod City Port Commission in the city hall.

In view of the fact that local trucking rates are higher than those established in San Francisco, it is felt that the new municipal port will be handicapped, so the commission directed that Port Atty. Albert Mansfield and Port Manager Walter F. Murphy attend the open hearing of the state board in San Francisco August 3 to file the objection.

There was also a discussion of equipment needed for the new port, with the matter being deferred for further consideration.

Fixing the salary of the port attorney at $50 per month was given final approval.

Adopted for presentation in the city manager was the port budget for the year 1937-38, approximating $26,000. Last move for acceptance must be made by the manager. It was also decided that all port commission funds should be handled by the city treasurer in the same manner as other city funds.

Present at the meeting were Chairman E. B. Hinman and Commissioners Elmer S. Hurrell, Henry Beeger and John McCarthy. A fifth commissioner to succeed Maj. H. W. Edmonds, resigned, has not as yet been appointed by the city manager.

Accidents Bring Damage Suits Here

Two San Mateo county traffic accidents, one of which happened just a year ago, resulted this week in damage suits being filed here for a total of $26,000.

Mrs. Marie Landrum, 45, and her daughter, Regina, 22, Inner Circle, Redwood City, seek $16,000 from Edward J. Wiskotchill, veteran San Francisco police inspector, and Carrie J. Hayes, San Francisco. Wiskotchill assertedly was the driver of a car that crashed into the rear of one occupied by Mrs. Landrum and Miss Landrum at El Camino Real and Selby lane, Atherton, on March 14. Hayes was the owner of the car, according to the papers in the suit filed by Atty. Norman S. Menifee of Redwood City.

J. M. Johnson, 67, 518 Stambaugh street, Redwood City, is plaintiff in the second claim, which asks $10,000 from Mervil E. Willoughby, named driver, and M. J. Willoughby, asserted owner, both of San Jose, of a car that struck Johnson as he was walking across the Bayshore highway near Main street. The accident occurred July 20, 1936. Attorneys for Johnson are O'Connell and O'Connell and Cuthbert B. Currie of Redwood City.

WPA Workers Here To Join S. F. Meet

Demanding that the Works Progress Administration be continued, local WPA workers are planning to join in a mass demonstration in San Francisco Monday, when hundreds of workers from all over the state are expected to participate, the Workers' Alliance announced.

The march will cover the chamber of commerce, merchants' association, both Republican and Democratic headquarters, SRA and WPA and other government agencies and the city hall, it is planned. Chief demand is that wage cuts be stopped at once.

Timber Periled As Fire Breaks Out in Canyon

Valuable timber in the Pescadero Creek Caynon was threatened for five hours late Monday night and early Tuesday as county firemen fought a blaze three miles west of Memorial Park on the Roy Ranch, near where a similar conflagration in 1930 did great damage.

The fire warden's office received its first call shortly after 9 p.m. Smoke was seen before 7 o'clock, however, it was reported by Billy Weeks, rancher, who had been baling hay on an opposite ridge.

Crews from the Memorial Park labor camp and firefighters under Deputy Ernest Werder fought the flames until nearly 2 a.m. More than an acre and a half of grass and heavy brush were burned over.

The area destroyed lay a few hundred feet from a fire trail that had been constructed early this summer. The trail provided a route of approach for the firefighters. A heavy fog that shielded the burning grass from long distance view also helped by keeping the blaze from spreading more rapidly.

No buildings or cabins were near the scene, the warden's office reported.

'James Flood Park' To Be Play Area Name

"James Flood Park" will be the name of the 20-acre tract of land between Menlo Park and Atherton which formerly belonged to the Flood estate and is now under development as part of the county's park system, if recommendations to the supervisors by the county planning and recreational commissions are accepted.

The commissions, through Engineer Ronald , Campbell, made known their recommendations today to the supervisors.

WHY SUFFER?

When Others Fail, Try Our CHINESE HERB

HERE IS PROOF:

Yee & Ko Herb Co.

Gentlemen: I am writing to you to let you know that I have used your herbs for congestion of my lungs and a chronic cough that I had for four or five years, and, after using your herbs for three weeks, my lungs were cleansed out and my old cough is gone. I am sure happy to know that your herbs will do positively what you claim for them. I have had three doctors, one X-ray, and electric treatments, and they did me no good, and all kinds of medicine.

And in closing I wish to say that anyone doubting what I have written about can call at my house at any time and I will explain to you personally what these herbs of Yee & Ko have done for me.

Very sincerely yours,
(Signed) FRANK E. BENDER,

Amended AAA Upheld By Federal Court

SAN FRANCISCO, July 22 (AP)—The Ninth Federal Circuit Court of Appeals upheld the constitutionality of the Amended Agricultural Adjustment Act here today in a San Bernardino county citrus fruit case.

The court affirmed an injunction forbidding the Edwards Fruit Company of Colton from shipping oranges and grapefruit in interstate commerce in defiance of the regulatory order by the secretary of agriculture.

"There is no delegation of legislative authority in the Agricultural Adjustment Act," the decision stated. "The regulatory orders of the secretary are based on standards provided by the act. The act violates neither the legislative provisions of the first article of the constitution nor the due process clause of the fifth amendment."

Theft Charge Dropped Against Gus Manhart

Charges against Gus Manhart of San Carlos that he and four other men stole an airplane from Henry Mattley of San Bruno have been dismissed, Dept. Dist. Atty. Louis B. Dematteis announced today.

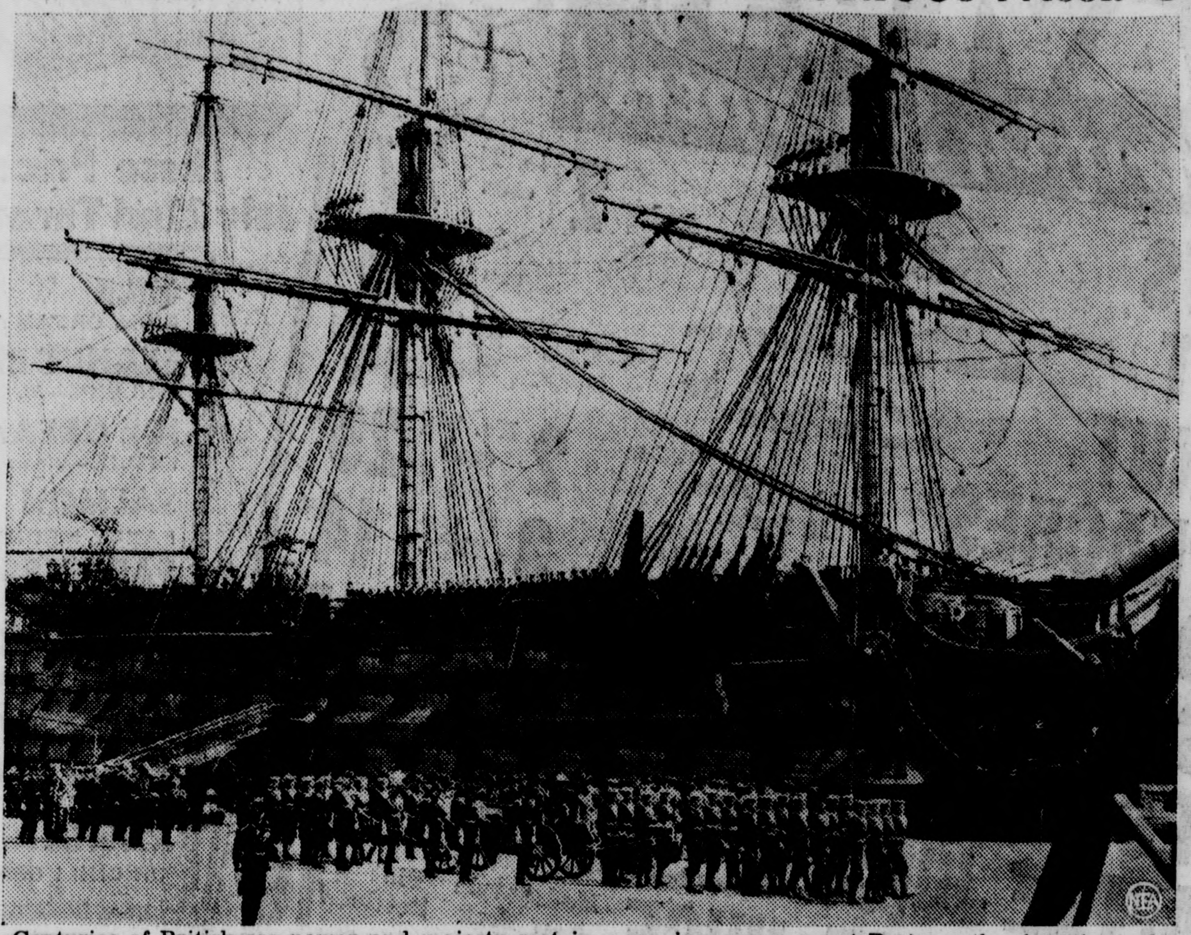
"Insufficient evidence" was given as the reason for dismissal. The case was brought before Judge Rudolph Rapsey of San Bruno late yesterday.

The four others assertedly involved were never arrested, officers having been convinced that the entire matter was a "misunderstanding."

ROSES FOR DECORATION

PARIS (AP)—The Marquise de Lambertye and Madame Simon Rolo have ordered the same black crepe evening dress from Patou. It is a sheath gown designed with narrow panels the edges of which are shaped like tulips. Large ping roses are posed on one shoulder.

BRITISH NAVAL CHIEFTAIN'S GLORIOUS PASSING



Centuries of British sea-power and majesty met in a moving ceremony at Portsmouth when the body of Admiral Sir William Fisher, late commander-in-chief of the British fleet, was borne in a solemn cortege past the historic frigate "Victory", flagship of the immortal Admiral Nelson at Trafalgar. Admiral Fisher was buried at sea.

USEFUL BENGALINE

NEW YORK (AP)—Black bengaline is the answer to the problem of finding a dark, wrinkle-resistant coat to wear over light clothes during early summer. The coats are made in a variety of styles, varying from those cut on princess lines to saucy debutante toppers.

VISITORS LEAVE FOR WEAVERVILLE

After spending a week at the home of Mr. and Mrs. Al Sebring in North Palo Alto, Mrs. Johnnie Asplund and Mrs. H. F. Sebring, have returned to their home in Weaverville. Mr. Asplund and Mr. Sebring are employed in the government forest service at Weaverville.

PARIS (AP)—Dining at Maxim's recently, Mademoiselle Chanel wore one of her famous headdresses, a bouquet of five or six gardenias on a veil of black tulle. The veil shaded the eyes and fell down to the shoulders. The dress was white crepe with long sleeves and a slight decollete, and had a ribbon sash. The "jewels" were a long necklace of white gardenias.

Plan to Favor Best Students

STANFORD UNIVERSITY, July 21.—A radical departure in Stanford University's educational system was announced today as approved by the Academic Council. The new plan will facilitate entrance of exceptional students to the upper division.

These exceptional students may open their upper division work with the master of arts degree their object. Previously, procurement of a bachelor of arts degree was necessary before a student began work for his master's.

"A "university division" will help brilliant students contemplating graduate work to organize upper division and graduate work into a single unit.

Students who have completed their freshman year with a B average or transfers with two years of standing and the equivalent of B grades will be eligible to enter this division.

NO A.B. REQUIREMENTS

They will not have to meet the lower division requirements and will not be candidates for the A.B. degree.

Instead, they will have the privilege of formulating their own plans, under the guidance of their department heads, looking to advanced or professional degrees.

Provided they have completed the requirements of the first two years of undergraduate work established by the schools from which they transfer, applicants for admittance to the upper division, and who have records equivalent to a B average at Stanford, may enroll without being subject to lower division requirements.

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

YOU'LL GET A BANG OUT OF THIS ONE!!

DO you get a kick out of a golf ball's click when you really lean into one on the tee?

Does your heart beat faster when the big fish strikes, and your singing reel almost smokes?

Can a brisk breeze and a taut sail make you feel like a kid again, forgetting care in the sheer joy of action?

Mister, if you're like that, what a bang you'll get out of this big Buick!

You'll go for the way it goes for you. You'll like the quick, eager spurt of its get-away, the buoyant, swayless steadiness of its travel.

You'll thrill to the businesslike manner in which it settles to the pull, its quiet, dogged competence in long, tough going.

You'll welcome the way it cradles you over the bumps, the neat, compact, handily mobile feel of it. You'll be proudly aware of its beauty, of the picture you make riding in its this-minute style.

But don't forget this major thing—it's the buy of the season, price-wise as well as on performance! It's *still* selling at the *lowest price in all Buick history*—you can *still* get a big Buick eight for less than some sixes would cost you.

So don't hold back. Good things, you know, can't last forever. Don't pass up a buy such as Buick is at its low prices now.

ing Patrol Capt. Otto Schramm to have smashed through the windshield and into the rear of the car. Davidson was cited for reckless driving by Patrolmen William Francis and Louis Rinkel, who said Davidson apparently lost control of his car while trying to round a curve.

Hutchings was taken to Villa Sanitarium by a passing motorist.

Two three-car rear-end collisions on the Bayshroe brought injuries to three. A crash near the Mills Field intersection involved Dr. Ervin Epstein, Los Angeles physician; David Thaddeus Locke, Santa Barbara, and Robert M. Hunt of San Francisco, drivers of the machines. Mrs. Locke, 51, and Mrs. Epstein, 30, were taken by Locke to South San Francisco Hospital with minor injuries.

The other three-way accident happened at Bayshore and 19th avenue, San Mateo, where Kuni Murace of San Francisco was hurt. She was riding with Bob Tashira, San Francisco. The other drivers were Archie McKenzie and Edgar L. Bendel, both of San Francisco.

Another rear-end pile-up on the Bayshore north of Belmont between vehicles operated by Abraham Harry Isaac of Reedly and Ellis McLeod, Oakland, brought minor hurts to Ethel Fentran, 34, Oakland, riding with McLeod. She was taken to a private hospital.

Walter John Lass, 17, of San Francisco, lost control of his motorcycle near Mills Field, where, according to officers, he tried to avoid a motorist and fell, suffering from bruises and scratches. He was taken to South San Francisco Hospital.

In Redwood City an additional Sunday accident brought injury to a local 14-year-old girl and a Burlingame man was arrested for driving while intoxicated, according to police.

Jene Maloncy, the girl, residing at 2670 El Camino Real, incurred a fractured leg as result of an unidentified car's striking her and the parked automobile by which she was standing with her sister, Grace, 20, and M. J. Cahill, 42, of 775 Chestnut street, San Carlos, owner of the parked machine. Police today were investigating the accident, which occurred at Katherine and Grand streets. Miss Maloney was treated by Dr. H. A. Clattenburg.

WOODSIDE

MRS. FISH EN ROUTE HOME

(Special to The Tribune)

WOODSIDE, July 22.—Mrs. Lauren Fish of Sky L'Onda, who had been in Europe since the coronation celebration, sailed for America yesterday and expects to arrive in New York July 27. From there she will come directly to rejoin her family here. Mrs. Fish, just before leaving England, had enjoyed a tour of Norway, Germany and France.

Mr. and Mrs. H. E. Grosser and Mrs. Flora Schow motored to Livermore over the week-end to visit with Mrs. Grosser's brother and his family, the Earl Grossers. The entire party enjoyed a fishing trip.

George Bogle and Henry Boettger were among the local residents who witnessed the Salinas rodeo this year. They left early Sunday morning and did some sight seeing on the Monterey peninsula before attending the show.

The Frank Pacheco family, who had lived for the past year on the Wentworth ranch, recently moved to Tracy.

LAW COMES TO GOLD TOWN

GOLDFIELDS, Sask. (UP)—Civilization has caught up with this tiny newly-discovered mining community. The inhabitants have been advised that they will be provided with a jail and will have to pay school taxes.

MENLO PARK NEWS NOTES

Miss Betty Welsh is at the seashore in Santa Cruz, the guest of Miss Alice Denhard. The latter is a niece of Miss Meta Kugeler of this city.

W. E. Dale, superintendent of the grounds of the Church of the Nativity, is enjoying his vacation in British Columbia, Canada, where he has several friends.

Miss Kathryn L. Maloney, the pretty daughter of Mr. and Mrs. C. T. Maloney, pioneers of Menlo Park, will be united in marriage to W. E. Hawkins, Point Bonita, next month. The marriage will be the culmination of a romance begun in school days when both attended the high school at Redwood City. The young man resided with his parents at North Fair Oaks. After graduation he joined the coast guard at San Francisco. Miss Maloney began her training as a nurse in St. Mary's hospital, where she now is following her profession. The wedding will take place here. The young couple will reside in San Francisco. Both have a host of friends on the peninsula.

The engagement is announced of Miss Ruth Louise Rugaard, charming daughter of Mr. and Mrs. H. F. Rugaard, of Walnut Grove, and R. B. Ovlen, Oakland. The wedding will take place in the fall. The pretty bride-to-be is a graduate of the San Francisco College for Women and is well known in Menlo Park, where she often visits her schoolmate, Miss Carmel O'Keefe. Mr. Ovlen is a graduate of Menlo Junior College and is a well-known yachtsman.

After a long illness William Emory Feeley passed away at his home on Oak Grove avenue on Tuesday morning. The deceased came to California from his home in Lowell, Ind., 53 years ago. Much of this time was passed in Menlo Park. He was 75 years of age, but looked much younger. For many years he was coachman for the late Sen. C. N. Felton, who at his death bequeathed his trusted employe a goodly sum of money. Mr. Feeley was a genial man and loved by all who knew him.

The church service in the Church of the Nativity yesterday morning was attended by a large number of sorrowing friends and relatives. Interment was in Holy Cross Cemetery, Menlo Park. The deceased is survived by his widow, Mrs. Adeline Douglas, San Francisco; Mrs. Lillian Black, Los Angeles; Mrs. Mary L. Buch, Los Angeles; William, Edward, Arthur, Francis and Jack Feeley, Menlo Park. A surviving sister lives at the old home in Lowell, Ind.

Grand President Ethel Bedley of the Native Daughters of the Golden West has appointed Mary Fisher of Menlo Park to be Deputy Grand President of Bonita Parlor No. 10 of Redwood City.

On Thursday evening Mrs. Fisher, accompanied by a number of Menlo Parlor Native Daughters, installed the new officers of Bonita Parlor.

On August 5 Court Padre Parlor Catholic Daughters of Palo Alto will sponsor a retreat at Corpus Christi monastery in Menlo Park. Mass will be at 9 o'clock; lunch will be served.

First Vice President Louise Murray conducted the meeting of the Native Daughters of the Golden West Tuesday night due to the absence of Pres. Eleanor Ryan, who is spending her vacation with her family at Clear Lake. District Dep. Grand Pres. Martha Bernasque of Bonita Parlor No. 10, Redwood City, will install the officers of Menlo Parlor Tuesday, August 3. Isabelle Weeden Lindquist and Mary Worrell are the committee in charge of arrangements for the evening.

The following ladies assisted Mrs. Lindquist at the regular "Sing" at the Veterans Facility in Palo Alto Tuesday afternoon: Mrs. Dora Scott Devol, Mrs. Clarissa Ross, Miss Clarissa Ross, Miss Meta Kugeler, Mrs. Mildred McClure and Mrs. Ethel French of Menlo Park and Mrs. E. Bullivant and Miss Ann Bullivant of Redwood City. Wards 17 and 7 were visited. Refreshments were served.

Mr. and Mrs. W. H. Weeden and their daughter, Mrs. Lindquist, and her children, Billy and Emma Roberta, are in St. Helena for several days.

Encouraging reports come from Mrs. Catherine Derry, who has been ill, but is now recovered. She is at the home of her son and daughter-in-law in San Francisco.

Relatives and a few close friends assembled in Trinity Episcopal Church at Menlo Park Saturday afternoon for the christening of little Elizabeth Laine Richards four months old daughter of Mr. and Mrs. Thomas V. Richards.

The Rev. Ralph P. Smith, rector of the church, officiated. God mothers were Mrs. Leslie Miller Moore of Atherton and Mrs. William Patterson of Newark. Dr. Charles Roller of Woodland, a brother-in-law of Mr. Richards, was godfather.

Mr. and Mrs. Lester D. Mathews of San Francisco are house guests of Mr. and Mrs. H. D. McCleary of Santa Cruz avenue, Menlo Park. Mr. and Mrs. Mathews are on a month's holiday, part of which has been spent at Clear Lake.

Mrs. Aris Hanzad and her son, Armen, have returned to the home in Menlo Park after a month in Los Angeles with Mrs. Hanzad's parents, Mr. and Mrs. V. Alexander.

Small Earthquake Tosses Peninsula

The old San Andreas fault line tossed a little in its sleep early Sunday morning and disturbed the slumber of many from San Francisco to San Jose but caused no damage.

The slight 'quake was recorded at 3:58 a.m. on the siesmograph at the Ricard Memorial observatory, University of Santa Clara. Dr. Albert J. Newlin, director, said the epicenter was within a radius of 50 miles in a general northwest direction.

Prof. Perry Byerly, University of California siesmologist, said the 'quake centered 20 miles west of Berkeley, according to the Associated Press.

'Y' Boys Leave On Long Trip

Excited farewells and happy goodbys marked departure Monday morning at 5 o'clock of seven high school boys and two leaders on the latest and most unique summer project of the local Young Men's Christian Association.

Taylor Reedy, Y.M.C.A. executive of Palo Alto, and John Way, 'Y' Club leader, drove cars which were full of boys and baggage, and which will traverse at least 3500 miles before returning August 1. The tour is to cover Salt Lake City, Grand Junction and Durango, Colo.; Santa Fe and Albequerque, N. M.; Grand Canyon, Bryce and Zion National Parks, Boulder Dam, Tioga Pass and Yosemite.

The educational values being sought are first hand observations of Indians in their natural settings, acquaintance with the unsurpassed beauties, wonder and varieties to be found in the golden west, and in addition, the entire trip will be conducted as a school for safer and more efficient driving. A complete plan for the recording of the trip by pictures has been established.

Jack Miller of Redwood City is to be the chief cook on the trip, assisted by James Argo of Redwood City and Errol Longanecker of Palo Alto. Linwood Ferrin of Palo Alto is chairman of a committee to route the trip, and Fred Johnstone is the tour treasurer. Pioneering and "roughing it," are objects of the trip which has been democratically planned and is being managed by the boys.

Those enjoying the trip besides those mentioned are Dwight Culver and Logan Potter of Redwood City and Linwood Ferrin and Fred Johnstone of Palo Alto.

Peterson Says Road Fire Misdirected

BURLINGAME, July 22 — That Mayor W. W. Hives of Burlingame and other opponents of the Junipero Serra Boulevard extension project are directing their fire at the 'wrong parties was charged today by Col. Frederick Peterson, former assemblyman.

Peterson pointed out that the county and not the state is building the Junipero Serra road, with the state acting only in an advisory capacity. The former assemblyman pointed out that the attack on the highway plans should be directed at the board of supervisors, or specifically, at Joint Highway District No. 10, composed of members from the San Francisco and San Mateo county boards.

20 Delegates To Leave Here

Twenty delegates from the Women of the Moose, Chapter 601, and Redwood City Lodge No. 1112, Loyal Order of Moose, are planning to attend the fourth statewide convention July 22 to 25, when more than 6000 Moose are expected to gather at Sacramento.

The local representatives will seek to surpass their record in 1936, when they brought home two honors, election of a state treasurer and publicity. They also will boast the Redwood City Harbor Opening Festival and the San Mateo County Floral Fiesta.

Among the Redwood City delegates are Erva Walzberg, senior regent; Mrs. O. W. Neikirk, past senior regent; Mrs. J. Fry, junior regent; Mrs. Hazel Rice, organizer, and Mrs. M. McAllister, Mrs. G. Pence, Mrs. F. Pearson and Mrs. F. Groce, for the Women of Moose, and R. H. Parker, dictator; Frank Groce, state treasurer; B. Sutfin, vice dictator; Manfred Walzberg, prelate; O. W. Neikirk, secretary; O. Runswick, treasurer, and O. Painter, Frank Pearson, Walter Hedlund and others, for the Loyal Order of Moose.

Election of a bay district vice president and other state officers will be held.

Supreme officers expected to attend include Supreme Dictator William Anderson of Indianapolis, and Mrs. Eva Starkey, grand regent of women, from Lynn, Mass., who visited Redwood City July 13.

The degree staff of Salinas Lodge, state champions for two years, will compete with a staff from Southern California for the 1937 and 1938 state championship.

$100,000 Radio Station Awaits Commission O.K.

A major $100,000 shortwave broadcasting station is being planned for the peninsula, it was learned here from Washington, where Examiner George H. Hill recommended that the application of the General Electric Company for a permit to build the station be approved.

The gigantic unit, which will operate on frequencies of 9,530 kilocycles and 15,330 kilocycles and 20 kilowatts power, according to the examiner's report, is to be erected in Belmont, subsequent to expected approval of the commission.

Programs of both the National Broadcasting Company's Blue and Red networks will be broadcast to the Pacific-wide audience and overseas, according to Don E. Gilman, NBC vice president in San Francisco.

It will be the first broadcaster of its type west of Milwaukee.

Colma Ships Share Of Potato Allotment

As their share of orders prorated throughout the state by the federal government, Colma potato growers, members of the Colma Vegetable Association, today were nearly completing their allowed shipment of 100 carloads, an estimated one-fifth of their production, according to Ian J. Campbell, county agricultural inspector in Commissioner Max Leonard's office.

The national agricultural department was forced to step in due to the low price for northend potatoes, a direct result of the late season and cold spring that placed that locality's products in direct competition with Kern county's. The pro-rating method was designed to correct a serious slump in the local market. Shipments began last Wednesday, Campbell said.

DRUNK DRIVING CHARGED

Following his arrest by Redwood City police for asserted drunken driving this morning, Charles Simonel, 42, cook residing at 418 Ebener street, was released from the county jail today on $100 cash bail. Policemen saw Simonel driving down El Camino Real at 3:15 a.m. in "an erratic manner." He is scheduled to appear before Judge Edward I. McAuliffe July 29.
